

A generator's job, without the cost of the generator.

Base partnered with Farmers Electric Cooperative to bring **affordable home backup** to Farmers members. Farmers Electric Cooperative remains your energy provider, while **Base** installs, monitors, and maintains your home battery.

⚡ **Kicks in automatically**
Starts in 50 milliseconds

🏠 **Lights, fridge, A/C, outlets**
The whole house stays powered

🕒 **Up to 36 hours of backup**
Battery recharges itself when the grid returns

\$ **\$695 up front**
One-time fee. No monthly payment

🔌 **Portable generator port**
Stay powered through longer outages

🔧 **Installed & maintained by Base**
Base covers all maintenance

**See if your home
qualifies for Base**
